

Proposed Business Platform

CRM, inventory, sales, operations, finance and marketing

Concept UI mockups

Prepared for internal review - July 2026

Illustrative data, users and figures are shown throughout.

One connected platform

- 01 Trade portal & approvals
- 02 Inventory & suppliers
- 03 Leads, sourcing & pipeline
- 04 Fulfilment & guest operations
- 05 Finance & sales reporting
- 06 Campaigns & email
- 07 Permissions & integrations

Platform overview

A single, user-friendly system connecting the full journey from enquiry to fulfilment and payment.

Simple by default

Clear queues, filters and next actions without unnecessary complexity.

One source of truth

Deals, inventory, clients, suppliers, finance and operations stay connected.

Automated where useful

Approvals, reminders, communications and reporting reduce manual work.

- **Dashboard**

Cross-company priorities, tasks, approvals and performance.

- **Portal**

Approve users and Paddock Club requests; manage manual orders and holds.

- **Inventory**

Sales list, negative stock, products, purchase orders and suppliers.

- **Sales**

Leads, sourcing requests, deals and personal/team pipelines.

- **Operations**

Confirmed orders, guest details, communications and ticket delivery.

- **Finance**

Booking forms, invoices, payment chasing and sales-source reporting.

- **Marketing**

Campaign ROI, lead assignment and targeted promotional email.

- **Settings**

Roles, permissions, guides, integrations, APIs and templates.
